This application is valid until December 31, 2016. This is a trial period only. You must comply with Resolution requirements listed in 16-137. Only one sign is permitted for any business. "A Frame" type signs are only permitted in the Central Business District (CBD). Signs must not interfere with the 52inch ADA requirements. Approval must be granted prior to the placement of the sign.

Any violations of the requirements will result in the revocation of this application and possible fines being issued.
